

# March to Protect the Future

JOIN THE NATIONAL MARCH FOR KIDS

WASHINGTON, DC | AUGUST 31, 2024  
10:00 AM @ THE JEFFERSON MEMORIAL

The March for Kids will bring awareness to the decline of our educational system and the erosion of parental rights in our country. We will unite parents of every faith, race, and political party behind the future of America, our children. We march because we understand the value and importance of defending parental rights to ensure children have a foundation rooted in their families. We march because we know strong families equal a strong future for America. This is our time to stand and say with one voice that we will no longer tolerate the failure of our society.

**Bring your yellow umbrella!**

*Yellow clothing also welcome. March for Kids merch available for purchase on our website.*
