

WHY WE MARCH

March for Kids Objectives

1 A statute in every state that recognizes the fundamental right of parents to direct the upbringing of their children, including but not limited to their education, medical care and religion.

A law in each state to stop the gender transition of children under the age of 18.

2

3 A law in every state to protect girls' sports, locker rooms and restrooms in schools.

Educational Freedom – we want parents to have the fundamental right to choose the best option for their child's education.
